Re: Response to Novel Coronavirus (COVID-19)

The NTRA Council encourages all Territorians to follow government and medical advice to combat the spread of this virus and our thoughts and support is with those affected.

The safety, health and good-will for everyone is our main focus and given the COVID-19 virus impacts such a high percentage of our membership and those who are likely to visit during the 2020 Alice Springs Open and NT Rifle Championship Series, we have made the sensible decision to post-poner these events. Looking at the shooting events calendar, the best option is May/June 2021 (few want to holiday in the NT in the build-up/ wet season?).

Please, members look after yourselves and those you care for.

Contact us if you need help.

Yours sincerely,

Frank Baldwin
